SKIN CARE TREATMENTS

Rejuvenating Skin Treatment 45 min \$85

This treatment is ideal for dehydrated, aging, and environmentally damaged skin types. The use of specific cleansing, exfoliating, customized masque, and protective products will help to leave a healthier, firmer appearance to the skin. As part of your treatment, enjoy the deep relaxation of a face massage.

Deep Pore/Anti-Acne Cleansing Treatment 60 min \$95

This treatment is perfect for any patient experiencing congested pores, including those with menopausal or teenaged skin. The combination of products helps to reduce oil without drying and gives the skin the hydration it needs. Botanicals in the corrective products are anti-bacterial, while a clay masque draws out impurities and oils that can be harmful to the skin and clog pores. Corrective products are ideal for the treatment of acne on the face, chest, or upper back.

Calm Treatment for Sensitive Skin 60 min \$95

This treatment is designed to help calm and soothe compromised skin. A Vitamin C Firming Masque will aid in reducing erythema, irritation, and inflammation associated with problematic/rosacea skin types.

Refining Treatment for Men 60 min \$95

This treatment is designed specifically for men who suffer from ingrown hairs brought about by shaving. Designed to help alleviate and reduce shaving bumps, irritation and scraping. A thorough cleansing and exfoliation followed by a nourishing mask. Includes massage of the face and neck for stress removal and relaxation. The treatment is good for all skin types and can be also be used on neck, chest, arms, back, or legs.

Anti-Aging Vitamin C Treatment 60 min \$110

The resurfacing and hydrating treatment is excellent for dehydrated and/or mature skin. This treatment includes deep pore cleansing with steam, enzyme treatment, extractions, Vitamin C firming mask, and moisturizer.

SKIN & BODY CARE

Anti-Stress Back Treatment 60 min \$95

A favorite of men and women, whether your skin is acne-prone, dehydrated, or sun damaged, your back treatment is customized to your specific skincare needs. Treatment includes deep cleansing and steaming of the back, shoulders, and upper arms

(extractions are performed if necessary). Lastly, a therapeutic massage with essential oils and a customized mask will leave you relaxed and your skin flawless.

Peels & Corrective Care

Obagi Blue Peel 2 hrs. \$450.00 + per area

The perfect corrective peel for sun-damaged skin and hyperpigmentation caused by pregnancy or sun, and also helps diminish fine lines and wrinkles. Done in layers for customized correction.

MicroPeel with Dermaplaning 60 min \$160.00

The MicroPeel is a 3-Step Physical Exfoliation Treatment which includes **Dermaplaning** to increase cellular turnover, smooth and soften skin, lessen the appearance of fine lines and wrinkles, and brighten the appearance of aging skin. **Dermaplaning**, when performed alone is a controlled scraping technique that removes dry, dead skin cells giving the skin a smoother appearance. It can be performed on small areas of skin or on the entire face...painless and non-invasive, it removes fine facial hair to achieve a velvet softness to your skin. No redness, downtime, or discomfort. Makeup may be worn immediately.

Micropeel 30 or 20 Procedure

This procedure combines manual and chemical exfoliation using 30% or 20% glycolic acid and cryogenic therapy, to reduce the appearance of fine lines, hyperpigmentation, laxity, dullness, and skin imperfections. Also smooths out rough skin texture, aid in clearing acne, and help fade post acne hyperpigmentation.

Pigment Balancing Micropeel Procedure

A three-step clinical procedure combining exfoliation, L-ascorbic acid and AHA acids to dramatically lighten dark spots and refine uneven tone and texture of photodamaged skin. The treatment is designed for all skin types and is based on medical skin assessment and patient needs.

Micropeel Procedure for Sensitive Skin

A clinical procedure that combines manual and chemical exfoliation using glycolic acid, lactic acid, and usnic acid along with cryogenic therapy to exfoliate and decongest pores while hydrating skin.

Micropeel Plus 30 or 20 Procedure 45 min \$160.00

A one-step procedure designed to control breakouts, while improving texture. Formulated with salicylic acid to refine pores, reduce appearance of acne and improve rough texture, blotchiness and uneven skintone.

Pigment Balancing Peel**50 min****\$160.00**

This treatment is a customizable treatment targeting hyperpigmentation to improve uneven appearance of photodamaged skin. The masque combines high-performance brightening and anti-inflammatory agents to accelerate cell renewal and diffuse hyperpigmentation.

Microdermabrasion Therapy 50 min \$125

Improves and quickly rejuvenates your skin, softens fine lines, wrinkles, brown spots and uneven skin tone. The result is vibrant, healthy skin with an unmistakable youthful glow, combined with a more smoother, flawless texture and appearance. Treatments are progressive and a series is recommended. Includes cleansing, toning, and a hydrating mask. There are no discomforting chemicals, no down-time, nor lifestyle inconvenience.
